NEGOTIATE AND R TIME CONSULTANT**

TARGET AUDIENCE: This course is designed for staff based in Secondary schools and Youth Projects.

WHAT IS NEGOTIATE?

The philosophy of *Negotiate* is simple. It is based on the principle that by placing students in a well defined and supportive situation, they will develop inter-personal skills and positive relationships.

Negotiate enables a meaningful dialogue to be established with fellow students. It provides a forum in which the students can freely explore and share their views on a whole range of relationship, citizenship and world issues. In each 15-20 minute weekly session it requires cooperation with a randomly chosen partner. Fundamental to *Negotiate* is the expectation and use of good manners, appropriate body language and courtesy, whilst students are engaged in a mutually respectful and productive dialogue.

THE OBJECTIVES/LEARNING OUTCOMES FOR THIS COURSE WILL BE:

To provide an insight into the philosophy behind *Negotiate*, and comprehensive overview of the practice of running the *Negotiate* programme. On completion delegates will have enough information to implement *Negotiate* in their class, school or group.

COST: £40 per delegate, plus VAT. (Cost to include a free copy of "Negotiate" by Pete Harvey)
